TO WHOM IT MAY CONCERN

This is to certify that Professor Raphael COHEN, Chief Executive Officer and Director MicroMBA, Hôpitaux Universitaires de Genève has been instrumental in the conduct of the Post Graduate Course in Hospital Management organized by the Ministry of Health and Quality of Life, Mauritius in collaboration with the Hôpitaux Universitaires de Genève.

As resource person for the first two modules of the Post Graduate Course which were held from 5 to 7 January 2010 and 22 to 24 February 2011, respectively, Professor Cohen has demonstrated remarkable lecturing skills and gained the admiration of all participants. His well-structured lectures, excellent communication skills and interactive style of sharing knowledge is indeed commendable.

The Ministry of Health and Quality of Life is looking forward to the continued support and contribution of Dr Cohen in the conclusion of the remaining two modules of the Post Graduate Course.
